1. The District Alignment Committee is pleased to submit its recommendation for alignment of clubs in various areas for the year 2016 to 2017.

7. Closing Comments

It has been a challenging year, facing many changes in my personal life, as well as in work, stretching me more than I expected when I took over. I have worked to the best of my abilities and knowledge, and have no regrets whatever the results for this term. I have learnt a lot from the people whom have crossed my path and it was a rewarding experience.

To the Division, I am sorry if I have offended anyone in the course of my duties, and if I have missed any commitments and failed to deliver any promises. In the months to come after I hand over, I will strive to visit all of you (if I have not visited you) once more (if I have).

I would like to thank my council for always backing me up and checking in on me. You helped me realise that Toastmasters can be a family and home. Special shoutout to Rennie, for even though you are not in the council, you contributed more than some who were in the council. I would also like to thank the other Division Directors. You guys have taught me so much and it was a joy serving alongside all of you. Thank you Senior District Officers for your patience and tolerance. I would also like to appreciate every one who have trusted me, and gave me the space to grow and be who I am. I couldn't have come so far without you.

This journey has been a worthwhile one, and as I conclude this stint and hand over, I would like to wish the next term all the best. Continue to put members first and remember why you became a toastmaster. Not for titles and accolades, but to become a better speaker, thinker, leader and most importantly, a better person.

8. Action Plan to Achieve Division Goals

GO for GOALS – We will reach out to help clubs that have not achieved their goals by encouraging and motivating members to embark on their projects at their own clubs or as visiting toastmasters at other clubs. We will also work hand in hand to help clubs needing a membership boost, with their membership and recruitment drive campaign.

LEADERS Succession – We have provided ample opportunities for members to come forward and take up appointment roles during our various contests, workshops and club officer trainings. In conducting these activities, members are encouraged to work together and get to know one another and this has provided experiential learning opportunities in leadership, planning and organisation. As such, we have managed to identify committed and dedicated members who will take up the key appointments in the following term.

DIVISION G Term End PARTY- We will be celebrating the end of a hardworking term with a “Swinging Sixties” party on the 4th of June 2016. We will also present awards to outstanding individuals who have made significant contribution to our division.

I take this opportunity to sincerely thank my dedicated, committed and passionate Area Directors, council members, friends and members of Division G who have contributed to our success.

- Reminded ADs to visit all Clubs and submit AD reports before 30 April 16.
- ADs to maintain close contact with Clubs to motivate and assist Clubs achieve their DCP Goals before May 31, 2016. Division Director encourages the Clubs whenever invited to their Clubs.

iii) Continue to conduct talks/seminars for members

iv) We had been very active in chartering new Clubs and providing support to New Clubs.

9) Conclusion

Division S had a good year in the number of Club chartered under our Division and attaining of DCP goals which were well above our target!

We had also chartered more new clubs than our target of 3 new Clubs!

For the new Clubs chartered, the ADs and the Division Director had ensured that the new Clubs are on the right track by organising demo-meetings and attending their Chapter meetings for the first six months at least.

Our two non-assisted Workshop organised were very successful with a small surplus recorded.

Division S had achieved Select Distinguished Division by early April! We look forward to a better status by end of May!

I would like to express my utmost gratitude to all Council members and members for working together diligently. A celebration dinner is in order!

This is the end of my report!

Club Growth Goals

Our Club Growth goals for the term 2015-2016 are:

1. to achieve 10% growth in terms of membership payment
2. to achieve 10% net growth in terms of number of clubs
3. to achieve 100% Area Director's Club Visit Report submission

Membership Payment Growth

The following table shows membership payment growth from July 2015 till April 2016:

Month	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr
Membership Payment	345	775	4580	5403	5711	5895	6193	6769	10163	10559
Growth*	70%	0%	12%	7%	7%	7%	6%	8%	9%	3%

(* % growth based on membership payment for the same period for the term 2014-2015)

A significant drop in membership payment growth for the month of April 2016 is an indication that quite a number of members are yet to renew their membership for the Apr-Oct dues cycle. As of 5 May 2016, District 80 membership payment was at 11076, and we ranked 1st in Region 14 and 20th in world (80.8% percentile in world). We need to attain 11700 membership payments to be a distinguished district, 11927 to be select distinguished and 12268 to be president's distinguished.

The Club Growth Team, together with district leaders, will continue to follow up on clubs that missed the April dues payment, and help them identify and implement solutions to overcome their respective challenges.

Eleven months seems such a long time and I am comforted that we have touched the river passing water before they go to pass. I am glad we have made full use of this eleven months to the fullest, gaining tremendous strength and skills as a leader and as a person. I share below the exciting reports as a results of the district council members collective effort. As we have another 5 weeks before the end of the term, we are looking at better results to come in as members work towards their final goals.

District Annual Conference, Ocean of Possibilities

We are very excited for the coming Annual Conference as the team works towards their dream of a Conference with a difference. Up to date, it has attracted about 270 delegates (including single special events) who will come together to have an enjoyable, entertaining and an educational time.

Every conference is special and this one is more so as we have Guest of Honour, Minister Chee Hong Tat and Toastmasters International President, Elect, Mike Storkey to grace the occasion.

This District Annual Conference is lucky to have a fantastic team put their best foot forward.

Lead by Carl Wong, a quiet and composed leader and assisted by Lawrence Quek, one of the most hardworking members that I have known.

Thank you to the strong team players, without which the conference will not be as vibrant and exciting as it is.

The team consisted of Stanley Goh (Div S), Harikrishnan (Div T Director), Yeo Chai Tun (Div T), Tan Kwan Hong (Div D), Eliyathamby (Div S), Nora Bamadhaj (Div G Director), Ida Lee (Div Z), Gerald Ong (Div D), Goh Sor Hoon (Div S), Poh Yeow Kian (Div V), Teo Ging Siang (Div L), Ruby Lai (Div Z), Koh Lay Hoon (Div B), Emily Sim (Div L), Gay Mui Hay (Div L), Peter Ng (Div S) and not forgetting our Secretary, charming Linda Ong (Div G) who went out of their way beyond their call of duties and were such a big inspiration for me. A big bonus came from Emily Sim with her creative idea for the closing ceremony... something new! Stay with us for the 2 full days and let us know the highlights you have enjoyed, and definitely, we would like to have your opinions on areas for improvement as well. Every event is a learning journey and I am so glad I have the opportunity to be part of this wonderful event made possible by this fabulous team.

1. Meeting with Senior District Officers (SDO's)

My heartfelt thanks to our SDO's for attending the regular monthly meetings, though we changed the meeting days at times due to availability concerns, thank you for the understanding. I truly enjoyed and appreciated their selfless efforts of working together as a team to ensure the district's success!

2. District Leaders Mid-Year Training in Auckland, New Zealand

Our District Trio attended a 2-day Region 12 & 14 Mid-Year Training on January 8-9 @ The Langham, Auckland, New Zealand.

3. Townhall Meetings with Division Directors and District Trio

This was a great initiative started by Past District Governor, Pradeep Kumar DTM in 2013-2014. We resumed it this term as it was beneficial in helping the District Trio connect with the Division Directors. A total of 7 meetings--some meetings with the same purpose-- were conducted at several occasions due to the availability of the Division Directors. For example, in November 2015, we conducted 5 sessions to meet all 11 Division Directors. Thank you to the Division Directors for the commitment.

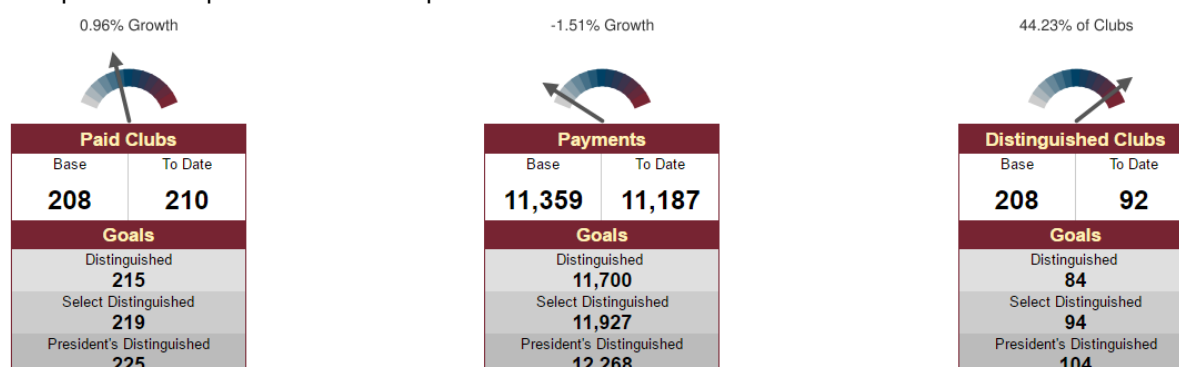

4. District Performance:

We are counting down with less than 2 months for the term, but we are counting UP of our District Performance!

Congratulations to our Achievers:

I am pleased to update District 80's performance as follows

Singapore (as of 2016-05-08)

District Goal (to be dist)	Actual to date	Year's goal	Needs more	Percent complete	Rank in world	Percentile in world	Rank in region
Paid clubs	210	215	5	97.7%	13	87.9%	2
Mem payments	11187	11700	513	95.6%	21	79.8%	1
Dist. clubs	92	84	Met!	109.5%	14	86.9%	1

Goal 1. 10% Net Club Growth (208 to 229 Clubs, net growth of 21 new clubs with no club loss)

- We have, to date, chartered 10 new clubs with 10-12 more prospective clubs. As we target two net club growths for each division, together with Club Growth Director Tay Tiam Teang's persistence, perseverance and determination plus the commitment of our Division Directors to achieve at least 22 new clubs for this term, I believe we can make it!
Congratulations to Divisions G & S for achieving early for net growth of 2 clubs, and Division V with one net growth to date. More good news on the way!
- We will lose 4-5 clubs this term, we still worked hard to revive these clubs, some corporate clubs decided to close due to change of management and/or lack of leadership team to continue the club mission.
- Including last term, 22 club coaches have been appointed and we believe many clubs will be awarded distinguished this term.

Goal 2. 10% Net Membership Payment Growth (11,359 to 12,495 Membership Payment)

- 10 out of 11 Divisions achieved 100% and above April membership dues payment. I am referring to payment of the minimum 8 members and above. From now till the term's end, Division and Area Directors will put in the extra effort to ensure that all clubs settle their members' April dues.
- Our District performance for membership are impacted by 8 clubs that have not met the minimum dues payment requirement or not made any payment and all clubs which have only made payment for the minimum requirement. We have to address this issue from now till the term's end.
- We would like to encourage members to go for the "Beat The Clock" challenge! Go For It!

Goal 3. 75% Distinguished Clubs (71% to 75%)

- Just 2 more Distinguished Clubs we meet Select Distinguished Clubs Goal!
- We see better education goals compared to last term. Thanks to the hard work of Program Quality Director Patricia Lum DTM for her conscientious efforts to encourage members to go the extra mile. The

Quality Speech Challenge was a great idea to motivate members to be better speakers and not just in fulfilling the education awards.

- We have 60 clubs that are almost distinguished; these clubs either require a single educational goal or meet their membership requirements. 47 out of 60 have not met the minimum membership requirement. I urge all Division and Area Directors to assist these clubs to succeed by achieving distinguished club status.
- The One-Step-Up Double Award to Clubs that were non-distinguished and new clubs were well received, to date 17 clubs have achieved the awards.

5. **Area D5 Director Resignation**

Randy Toh Yong Hung ACG, ALB has resigned from Area D5 Director due to his school's timetable and he was not able to fulfil his role and responsibilities as an Area Director, serving his clubs' needs. Division D Director Timothy Lin ACG, ALS has been appointed as the acting Area D5 Director; he will continue to serve Area D5 Clubs, including Area Visit Reports and to encourage Area D5 Clubs to do their best before the end of the term.

I would like to put in record that Randy Toh, though did not fulfil his duty as Area Director as he was the Organising Chair leading his team of NTU Toastmasters to a successful District 80 Semi-Annual Conference, which was held on October 24 & 25, 2015 at NTU.

We hope that he will be back in action as our District's future leader.

6. **Acknowledgement / Appreciation**

My appreciation goes to our fellow toastmasters for the friendship, encouragement, advice and support given during my term and I want to thank all of them.

- My special thanks to Past District Governors Pradeep Kumar DTM for the tireless advice and support (also District Leadership Committee Chair & Mediation Advisor, especially during my difficult moments), Michael Rodrigues DTM for his encouragement (also District Alignment Committee Advisor), Poh Kim Siong DTM for the constant sharing and guidance, Aziz Mustazab DTM for answering my calls when needed, Augustine Lee DTM for the hospitality during PIP Ted Corcoran DTM's visit, Goh Wei Koon DTM for his professional training at Divisions, Edward Ma DTM for being the District Chief Ambassador and, last but not the least, Michael Wee DTM for being the District Parliamentarian.
- I wish to thank all District Officers, Division and Area Directors for your diligence in serving your clubs and members. My heartfelt thanks too to my pillars: Senior District Officers, PQD and CGD for your trust, partnership and understanding; Administration Manager Yap Boon Liang for the tolerance, patience and care; Finance Manager, Azizah Sapari DTM for the cautious and strict control of the district's money and beloved District Public Relations Manager Annabelle Fabia-de Arroz DTM for the effective and productive actions.

- Many thanks to our generous sponsors for the District Directory: Richard Ong DTM, Harikrishnan DTM, Harry Yeo, Ida Lee, Teo Ging Siang DTM, Richard Lee & Alan Kam DTM.
- Not forgetting our District 80 Toastmasters, thanks you all for the kindness, understanding and support plus your private messages of feedbacks and encouragements, be it being my Facebook friends with the awesome postings and "Likes" that invigorate our District 80, Make Members Matter Facebook Group.

Last but not least, yes, Let's stay focus, our Term will only end on 30 June 2016...

Our target is to achieve President Distinguished District:

- 15 more paid club(s).
- 1081 more paid membership(s).
- 12 more distinguished club(s).

With the focus of 'Make Members Matter' in mind, NTU SAC 2015 concluded with tremendous success with a series of speeches, ceremonies, gala dinner and over 250 beautiful participants. With over 30 students participating in the event, we managed to achieve one of the key objectives of NTU SAC 2015 that is to attract more young Toastmasters to join the Toastmasters community. This result further augments District 80 Toastmasters International's goal and vision to enrich the community of Singapore Toastmasters with fresh perspectives and energy from young Toastmasters. For financials, we have successfully converted every single dollar contributed to the conference to fetch maximum utility for the participants with net profit of less than \$40 from the conference.

We were glad to have 9 esteemed speakers with us to provide key insights into various disciplines of study to establish the 'Capital of Ideas' theme set for the conference. One of the key highlights of this conference is the presentation of the improved version of TED talks by incorporating Toastmasters international insights. This segment receives overwhelming compliments that provides the inflection point for mutual learning of public speaking best practices. Besides, the Chinese programme was conducted concurrently with the English programme and it was lauded for the diverse topics covered during the conference.

All of these are possible due to the many parties who worked together with me to realize this dream that we had one year ago. I wish to thank the Senior District Officers for their significant contribution and my team members who were dedicated throughout the journey. The team was synergistic and the enthusiasm of committee members led to the success of the conference.

From this valuable experience, my team I have matured significantly and learnt to be more resilient, with strong communication skills as the supporting pillar to develop our leadership skills. This truly exemplifies the mission of Toastmasters international and exemplifying the statement: 'Where Leaders are made'.

On behalf of the organising committee, I hope that you have enjoyed NTU SAC 2015 and I sincerely thank all the participants of NTU SAC 2015 for believing in us and supporting our Toastmasters journey. Thank you very much!

“What would be a unique event venue?” That was the question on my mind when we started planning for this year’s Annual Conference, “Ocean of Possibilities”.

I believe every conference organizer wants to make their event unique and memorable. I’ve had fond memories of conferences in the past. And yet, I want to make our conference unique and memorable... and here’s the challenge: “within budget”.

I’m blessed to have a terrific team and wonderful advisors. I want to also extend my deepest gratitude to Ngai Heng Pte Ltd, Thomson CC and Frankel Tutors Pte Ltd for providing us with meeting venues.
