### Choice of Music:

Any song in any language.

Preliminary Round : Singing a segment (between 90s to 3 min depending on total number of participants). Without music.

Grand Finals: 10 Finalists. Finalists must bring your own Karaoke CD so that you can sing to your own music

### Prizes:

Prizes for Top 3 Winners : Champion, 1st & 2nd Runners up :  
Trophies & certificate of Participation for All

### Judging Criterion:

Preliminary Round	
Voice Quality	50%
Entertainment Value	25%
Showmanship	25%
Grand Finals	
Singing Talent	
(Voice/Sense of Music)	50%
Attire	20%
(incentive for glamour stage turnout)	
Showmanship	20%
Star Appeal / X Factor	10%
TOTAL	100%

Score is then divided by two i.e. Judges Decision forms 50% of final score

Audience Vote counts for the other 50%

**Mechanics:**

Each Table has 10 chairs - each chair has a balloon so each seat has 1 vote

At the end of all performance, invite audience to go forward to hand their balloons to the 10 finalists who will be assembled together on stage.

Number of Balloons equals number of votes

so : people's choice will result in #1-#10

#1 will get 100 marks, #2 90 marks etc etc #10 gets 10 marks.

The marks are halved to form 50% of Final Score

Judges' Score + People's Score = FINAL SCORE

**IMPORTANT:**

- Judges' & People's Decision are FINAL
- This is a FRIENDLY & FUN Contest, so please observe the SPIRIT and avoid controversy and unhappiness
