Become a **POWERFUL** Communicator

Are you afraid to stand up and speak in front of others?

Have you ever admired a powerful speaker and wondered to yourself "I wish I could speak like him..."

Tampines Regional Library Toastmasters Club is conducting its Speechcraft programme to help you see a VAST improvement in your communication skills.

During the Speechcraft programme, conducted by experienced trainers, your benefits include:

- Increased confidence when speaking to acquaintances AND strangers
- Gain skills to better express yourself clearly and effectively
- Learn skills to motivate, persuade and inspire others

The four sessions have been designed to cater to the needs of new and experienced speakers.

It is a hands-on workshop that would enable you to design and deliver speeches effectively and confidently.
