Special Talk on "Maximising your Health Care Dollar"

Learn from the startling health care statistics. Learn how not to hurt you pocket when you are sick. Learn how to stretch your health care dollars. COME ENRICH YOUR KNOWLEDGE AND BE AHEAD IN LIFE AND HEALTH

Sam Chee Yee CL

Chartered Financial
Consultant
Chartered Life
Underwriter
B. Eng (Elect) Hons,
Dip SII (Life), LUTCF

Introduction to Special Talk Speaker at this meeting :

Sam Chee Yee, an Electrical Engineer by training, has been in the insurance and financial services career for 13 years. He has earned numerous awards including the prestigious Million Dollar Round Table awards for 4 times. He is currently serving 600 personal and corporate clients.

Being a firm believer of personal development, Sam went on to attain his professional qualification – Chartered Financial Consultant and Chartered Life Underwriter awarded by the American College. He is also a Fellow with the Life Underwriter Training Council.

Sam is currently with an independent financial advisory firm, fin-exis advisory Pte Ltd. Sam was a partner of Prudential Training and Education Department Club and has shared his knowledge and experience with thousands of financial professionals in the area of investment and financial planning. He was the Chief Content Developer for the Mediacorp Oli Tamil Financial Planning Seminar 2002 and 2003. He has been interviewed twice by the Straits Times for the Sunday Money Page.

Sam is the founding member of ASPS (Association of Singapore Professional Speakers) and is currently the Vice President of Education. He is also member of New Millennium Advanced and Money Mastery Toastmasters Clubs.
