Dear Kim Siong

Congratulations! The final results of the 1996-97 Distinguished Club Program were released and I am pleased to inform you that your Club has been selected as a "No.2 Club in Singapore for the category 20-29 members".

These achievements would not be possible without your club's Executive Committee's dedication and leadership in meeting your members' goals in developing their communication and leadership skills. Keep it up!

Your Club will be honoured at the Toastmasters International Day Celebration to be held on Wednesday, 22 October 1997, 6.30pm at Pinetree Town and Country Club. I hope you or a representative of your Club will be there to accept the special plaque the Club has earned.

Finally, please extend my heartiest congratulations to your Executive Committee and fellow members for your Club's success.

Sincerely

Christopher Teo, ATM
