Dear Toastmaster:

Congratulations! I'm happy to let you know that the entry you submitted for the **Top 5 Membership Campaign** contest for 2001-2002 is one of the five winners!

New members are important for all clubs and membership campaigns are the key to continuing success. At the appropriate time your ideas may be shared with other Toastmasters clubs as a way of helping them to achieve membership-building success.

The campaigns were judged on creativity, originality and usefulness to other Toastmasters Clubs. Your program's objectives, success, and applicability to other clubs contributed to its selection.

You, or a representative from your Club or District, may accept the award during the Hall of Fame Ceremony at the International Convention at the San Antonio Marriott in San Antonio, Texas on Friday August 23, 2002, at 1:30 p.m. in Salons A-F. If no one is present to accept the award we will ensure that it is delivered to you.

Congratulations again on your achievement!

Sincerely,
