

## ***What recent workshop participant's say about...***

“He is great! I hope that we can learn more ways of making a good speech.”

“It is a wonderful one as we can get known to one another. We can also learn how to get ideas from others' experiences.”

“This is one great talk about ideas and speeches.... Probably everyone in my school should attend this. We get to learn more skill. I hope I can attend it one more time....”

“I think that the course was pretty useful though there wasn't enough time to learn much. It would be better if the course can last 3 hours to 4 hours.’

## *What recent workshop participant's say about...*

“Very good tips!”

“It is very interesting but it would be better if the workshop can stretch for a very day...”

“It's a very good experience to one. Very fun too. Thank!”

“It worked very well for me! And it is interactive...”

“I think this is very interesting workshop. I have learnt a lot from it. I would like to encourage to carry on this workshop for next year.”

“It is a useful workshop, it makes me know what I lack of. It also solves a problem, which trap me for many years. I would like to thank the people who organize all this and hope that it will carry on”
